Press Release

In the upcoming District 1 City Council race, the Sacramento Police Officers Association has chosen to endorse Candidate **Angelique Ashby**. The vote by the SPOA Board of Directors was unanimous in support of Ashby after interviewing all known candidates for the seat. SPOA President Brent Meyer stated, "It's very refreshing to see a community leader like Angelique Ashby step forward to serve on the Sacramento City Council. Her sincere desire to restore economic vitality while strongly promoting public safety makes her extremely valuable to the Sacramento community!"

SPOA Vice President Mark Tyndale noted, "Before we even made the endorsement, police officers were volunteering their off duty time to walk precincts with Angelique. Her dedication to working with the Police Department to make her community safer has created one of the most effective community/police partnerships in the City."

The SPOA Board of Directors represents the Police Officers, Detectives, Police Sergeants, Community Service Officers, and Dispatchers for the Sacramento Police Department.
